### Coleman Kings Win From Pincher

The Coleman Kings came up with their first win in three starts, as they dropped the Pincher Cardinals 3-2 Thursday night, June 9, in a crowd pleasing game that was terminated in the 5th due to a drizzling rain.

A display of fielding antics by Joseph and Chala rarely outclassed, even by those displayed on Sat. TV, topped by a bases loaded triple from the bat of all star Lopachuk was all the assistance Schiebout required in recording the win.

Schiebout allowed five hits, struck out four and walked none. Bonertz allowed 10 hits, walked two and struck out one.

### Coleman Kings Lose To Pincher 10 to 9

In the opening game of the Waterton Men's senior fastball league Friday night, June 2nd, the Pincher Cardinals edged the Coleman Kings 10-9 in what may prove to be the highest scoring game of the season.

The Kings, minus their all-star catcher, Lopachuk, who last year set a league record ending the season with a .985 per cent batting average and 11 home runs including a grand slam homer, led the Cardinals 2-1 in the third, when a costly error by playing coach Misurelli allowed the Cardinals the only real break of the game, and resulted in a four-inning session for the home team.

In the bottom of the 4th the Cardinals again connected for 3 runs on 5 hits which left the Kings staring at a scoreboard reading 8-2. Then in the top of the fifth the Kings, displaying some of the power, hustle and class that gave them the 1965 Tournament of Championship at Pincher Creek on August 6th, charged back with six runs on seven hits which included a home run by Beranek to tie the score at 8-8.

In the sixth matched homers by Kings' Ed Chala and Cardinals' Mark McIntyre again decided the contest at 9-9.

In the 7th the Kings, after retiring the first two batters in order, allowed Cunningham to steal 1st base on his third strike when catcher Bevelacqua missed the change-up pitch, then gave up the winning run on a double by the following batter.

Winning pitcher Mark McIntyre gave up 9 runs on 14 hits and allowed three passes.

Losing pitcher Peter Schiebout gave up 10 runs on 12 hits, allowing no passes.

### Fastball League Notes

Fishburn, a new entry in the Waterton Men's Senior Fastball League, surprised the Coleman Kings in a 5-4 upset Tuesday night, June 7th.

The Kings, delighting the home fans, with three double plays and leading 3-0 in the 4th, seemed to be coasting to an easy victory when they gave up two runs on a liner driven by first base, which was thought to be foul, and not immediately retrieved.

Losing pitcher Schiebout was charged with five runs on allowing 11 hits, passing four and striking out six.

Wayne, credited with the victory, gave up nine hits, allowed nine passes and struck out only two.

### Secretaries Attend Short Course

Mrs. Nora Goulding, secretary of the Coleman School District and assistant secretary, Mrs. Anna Jones, attended the secretaries' refresher short course being held in Banff this month.

Mrs. Goulding is retiring from her duties in January and will be replaced by Mrs. Jones.

The largest room in Caribabad Caverns has a floor area of 14 acres.

### Hose Coupling Competition July 2

Fire Chief Henry Zak of the Coleman Volunteer Fire Brigade stated this week that plans are well underway for the forthcoming Hose Coupling Competitions to be held here July 2nd.

After being dropped for the past four years, the event has been re-organized and will get underway with a parade to start off from the fire hall at 1 p.m.

Teams from Kimberley and southeastern British Columbia, and Montana, and from Red Deer south in Alberta have been invited to take part in the event.

Meanwhile Fire Chief Zak has stated that the annual picnic for fire-fighters and their families will be held at the Crows Nest Lake pavilion on Sunday, August 28th.

Races and games will be held for all and free pop, ice cream and hot dogs will be provided.

### Mrs. Nora Goulding Receives Tribute

Mrs. Nora Goulding, secretary of the Coleman School district was paid tribute at the recent refresher course for secretaries held in Banff.

Mrs. Goulding was called upon by President of the School Secretaries Association of Alberta Roy White of Red Deer who presented her with a life membership into the Association and commended her for her fine service to the Coleman schools in the past 16 years.

Mrs. Goulding was also commended in Coleman recently when she was called upon at the School Prom banquet and was presented with an engraved plaque by Miss Vivian Alampi on behalf of the school students executive. The award was for Mrs. Goulding's co-operation with the students and their functions and for her cheerfulness.

Mrs. Goulding will retire as of Dec. 31, and will be replaced by Mrs. Anna Jones.

### Special Committee On School Centralization

Five members of the Alberta Legislative Assembly, R. B. Lamotte, A. Aloisio, M. Senych, E. P. Benoit and M. Macgibbon, have been named to a Special Committee on School Centralization which is now inviting the submission of briefs by all parties interested in the study of this subject.

The Committee will be enquiring into the interest and concern of the public with respect to the centralization of schools; the educational opportunities presently being offered in the elementary and secondary schools of the province, and the problem of centralization and consolidation in the rural areas and smaller cities, with particular reference to vocational high schools. Briefs are especially invited from local level branches of the Alberta Teachers' Association, the Alberta School Trustees' Association, Home and School Association, Farmers' Union of Alberta, Farm Women's Union of Alberta, Chambers of Commerce, school and municipal authorities, religious organizations and other associations.

After July 15, which is the deadline for the submission of briefs, the Committee will hold public meetings in various centres of the province to hear representations in support of the briefs submitted.

### Fred Macleod Lions President

Fred Macleod was elected president to head the Coleman Lions Club for the next term.

Also, elected to spearhead the club were Secretary Roy Upton and Treasurer R. T. Bell.

The balance of the slate to be appointed before the fall session starts.

## Cadets Hold Annual Inspection

The annual inspection of the Crows Nest Pass Cadet Corps No. 535 was held in Coleman skating arena May 30th due to rainy weather. The parade had been scheduled for the Blairmore parade square.

Following the inspection in the arena by Calgary army officials and Blairmore civic officials the Corps retired to the United Church hall in Blairmore where the annual wind-up banquet was held.

Chairman of the event, Captain Mark Venier, O.C. of the Corps, after introducing the guests, expressed thanks to Ted Kryczka, president of the Coleman Sports Association and Clarence Clarke, caretaker at the arena, who, on very short notice made the arena available for the parade.

Mayor Alrik Tiber of Blairmore representing the Crows Nest Pass Municipality, commended the Cadets on their fine demonstration. He spoke on the need of discipline in life and the value the Cadets were receiving in the fine training they were getting in the Corps.

He commended the leaders including civilian instructors Alan Ritchie of Bellevue, Ted Walker of Coleman and Norman Hammer of Coleman, for the time they were putting in to train the cadets, and he also thanked the Blairmore Legion for sponsoring the group. He concluded by stating that the fine example put forth by the Cadets could make a valuable contribution locally in Canada's forthcoming Centennial celebrations.

Lieut. G. R. Woodward of the Queen's Own Regiment, expressed thanks to the Legion, the towns, and to the Cadet leaders for their efforts and work with the Cadets. He congratulated the Cadets for their excellent parade and suggested they all give due consideration to attending the summer camp at Vernon, B.C. He commended his remarks by commending Captain Mark Venier and the civilian instructors for the excellent work they have performed.

A presentation of First Aid badges and lanyards was made by the civilian instructors after which the annual trophies were presented by Albert Mark of the Blairmore Legion who was one of the No. 535 Cadet Corps original instructors eight years ago.

The event concluded after Legion Auxiliary President Ruby Mark of Blairmore complimented the winners of the trophies and urged the other Cadets to do their utmost to win the trophies next season. She expressed thanks to the mothers and friends of the Cadets who had provided the banquet supper.

Viewers can help to remedy this problem by having their antenna installations checked by the service people in the Coleman area to assure they are getting the strongest possible signal.

CJLH-TV expects soon to receive authority from Ottawa to install a booster transmitter at Coleman on Mount Ironside and hopes to have it in operation by this fall.

The atmosphere weighs as much as a layer of water 34 feet deep.

### Tenders Invited By C.N.P.H. Board

The Board of the Crows Nest Pass Municipal Hospital is calling for tenders for additions and alterations to be made to the Crows Nest Pass Municipal Hospital.

The tenders will be received by Administrator Ernie Luini until 7 p.m. June 30th, and contractors may obtain plans and specifications from Laurie and Neufeld, Leithbridge architects and engineers.

The addition will include a solarium and recreation room and the improvements will include air conditioning to the operating room and nursery.

Improved additional rest room facilities are also on the list of improvements as well as piping oxygen via a tube system to various hospital rooms so that tanks need no longer be used.

The general layout of the hospital is being arranged for more efficient service and convenience to the staff.

### O. E. S. Session Held In Banff

Worthy Matron Judy Bowman and members Mrs. Doreen Colwell and Mrs. Dorothy McGregor of Minerva Chapter No. 41, Order of the Eastern Star, Coleman, and Mrs. G. Bradshaw of Frank, attended a Grand Chapter O.E.S. session in Banff on May 31 to June 2nd.

Other Pass O.E.S. members attending the session were Worthy Matron Thelma Bradley and members Mrs. Blanche Harper, Jean Burman and Peggy Vejprava of the Leta Chapter No. 117, Blairmore.

The Blairmore group met Mrs. John Gray, Alberta Grand Representative to the State of Maine, and Mrs. Elmer Wallace, both of Blairmore, in Calgary, who were on their return trip from a visit to the Grand Chapter of Maine.

They accompanied the other Blairmore O.E.S. members to Banff.

The sessions were attended by over 180 representatives from all over Canada and the United States.

### Family Service Bureau Monthly Meeting

The monthly meeting of the board of directors of the Family Service Bureau was held in the Blairmore United Church on June 1st.

Plans were made to keep a skeleton staff in the office during the times the regular councillors are on vacation.

Sister Leo Agnes will be attending seminars for Catholic Charities and for Social Workers in Vancouver in June.

After the meeting Sister Leo Agnes showed to those present a series of interesting slides of a typical case handled by the Family Service Bureau in Regina.

### Glen Sweet Moves To Jasper

Glen Sweet, former secretary of the town of Coleman, has accepted a position with Tollestrup Construction Company.

Mr. Sweet will leave the Pass this week for Jasper where he will start his new duties. Mrs. Sweet and children will temporarily move to and take up residence in Ponoka.

Did you know that children — some as young as two or three — can, and do, suffer from mental illness as severe and agonizing as any adult? Do you know what help there is, if any, for these little sufferers? ### Jehovah's Witnesses To Attend Convention

More than half of the Jehovah's Witnesses in the Coleman area are making plans to attend a district convention in Vancouver's Empire Stadium August 3 to 7.

A crowd of 35,000 is expected from all parts of the Pacific North west and they are gathering for the purpose of listening to stimulating Bible discussions concerning God's will for man on earth.

Mr. Dale Gordon, presiding minister of the local congregation, talked of convention preparations today. He said: "Complete cafeteria and rooming facilities are being provided. Hotels, motels and private homes in the Greater Vancouver area are being contacted for room listings, so all delegates are assured of having accommodation." He continued: "Between sessions a cafeteria, manned by Witness volunteers, will be in operation providing full course meals three times a day, right on the convention grounds. Facilities like this allow the delegates to obtain the maximum from the convention program."

The Coleman Journal has been informed that at conventions of this magnitude, they have morning, afternoon and evening sessions, designed to provide training in Christian living. Since the Witnesses consider all members to be ministers, they strongly recommend that each one engage in a continuing schedule of study and practical care of this need by having talks, demonstrations and discussions analyzing Bible prophecy, Bible doctrine and Bible principles on morality and every-day living.

Mr. Gordon also said today that this convention will be one of a series of 13 conventions to be held in North America this summer. These "God's Sons of Liberty" District Conventions, as the Witnesses call them, will begin in Toronto in June and will be held in such centres as Corner Brook, Newfoundland; Montreal, Quebec; Anchorage, Alaska; Dallas, Texas; Miami Beach, Florida. During the winter months the conventions will be extended into Mexico, Central and South America.

Convention officials state that the highlight of this need by having the public discourse on the final day of the Watch Tower Society. The subject will be "What Has God's Kingdom Been Doing Since 1914?"

### Robert Nakoff Passes recently

Robert Nakoff of Coleman, passed away in a Calgary hospital last week.

Funeral service and cremation were held in the city.

Mr. Nakoff is survived by his wife Nellie of Coleman, and a married daughter in Calgary.

### The "Great Luzzi" Loses His 12-month-old Beard

At 4:30 p.m. Friday, June 3rd, at the intersection of the main streets in Drumheller, Alberta, Mayor Ean Toshach removed 12 months of beard growth from the face of Don Luzzi, Honorary 1966 Easter Seal Chairman for the province of Alberta. Drumheller won this honor for being the Alberta city to go "over the top" with the highest percentage (21 per cent) in the Easter Seal campaign. The closest rival was Camrose, Alberta, with 20 per cent. The beard was later deposited in a large silver urn to be known as the Don Luzzi Challenges Trophy and will be held by the Drumheller Rotary Club for annual competition. Left to right in the above picture: Mayor Ean Toshach of Drumheller; Dr. H. McKinley of Calgary, and Don Luzzi, Honorary Easter Seal Chairman, 1966.

## Centennial Report

by JOHN W. FISHER  
CENTENNIAL COMMISSIONER

### Report No. 4—

Before the end of this year a full-length Canadian feature film will be released to Great Britain, the United States and other countries. It is certain to encourage people to visit our country during the 1967 Centennial.

The film, called Helicopter Canada, an hour-long Panavista production for wide screens, will be shown in our own cinemas during 1967.

Helicopter Canada is the first full length moving picture feature to be made entirely from a helicopter-in-flight anywhere in the world. It is an exciting coast-to-coast color sweep of Canada — its geography its wildlife, its people and ways of life. It is being produced by the National Film Board of Canada for and with the aid of the Centennial Commission. Peter Jones is the producer and George Salverson is the script writer. The director-cameraman is Eugene "Jeep" Boyko of the National Film Board staff who had some interesting experiences filming this project across Canada from the open door of a helicopter.

Boyko was born in Saskatoon, has been a dishwasher, shipyard worker, private chauffeur in various parts of the country and he was a country-and-western singer in Saskatoon in 1937 when a broadcaster named Jack Wells tagged him with his nickname, Jeep, after a comic strip creature.

In the 40's, Boyko was a taxi driver in Vancouver when a passenger went on vacation leaving her camera in the cab. He used it to shoot a traffic accident and sold the pictures to a local paper for \$5. This sent him into photography and he wound up at the National Film Board in 1961. Boyko's home, when he gets there, is in Lorraine, Quebec; he has a wife, one daughter, 10, and one son, 3.

By means of Jeep Boyko's camera, background narration, dialogue and sound effects, the viewer in the cinema audience will be making a trip across the country, discovering Canada as though he were in that helicopter. The 'copter during shooting, was able to get as close to the face of anything as its blades permitted and hovered from six to 600 feet.

Boyko spent more than a year on the filming — a good deal of the time 500 feet up in the air, crash helmet on head, hanging out the side of a French-built turbine helicopter (the Alouette). In one year he shot 96,000 feet of film and travelled from Newfoundland to Victoria.

An anti-vibration mount for the camera was a French-made unit, first used in the making of the French films "The Red Balloon" and "Voyage in a Balloon". It permits a picture while hovering vibration is eliminated in this clever device.

In Toronto Boyko hovered a few feet above Nathan Phillips Square for a dramatic view of the new clam-shell city hall. He caught the Old Fort Henry Guard, at Kingston, doing its drill.

The helicopter camera shot the convoluted tubing and towers of a vast oil refinery complex at Edmonton, paddle wheelers, rising new buildings in western cities, the lush North Saskatchewan River Valley; in Montreal the helicopter made forays around the new skyscrapers; in Saskatchewan it caught a fast moving freight train travelling through a Prairie town, a truck leaving a high dust plume behind it, down a road to a lone elevator standing stark against the Prairie horizon.

The film's viewers will have the sensation of being virtually on the surface of the gorge beneath the Honeymoon Bridge at Niagara Falls, and being on a slow trip straight up the face of the bridal veil falls almost at arms length. They will "ride the back" of a deer in flight, peek into the windows of Montreal skyscrapers and experience the sight and sound of

stenographers at their work and stockbrokers in action. They will view skiers and mountain climbers, wheat farmers, miners and prospectors, lumbermen, assembly-line productions, football clubs, out door activities of various ethnic groups and of the first Canadians — the Indians.

In Newfoundland the camera made contact with a lighthouse keeper and a ship's skipper seeking guidance into the harbor thus symbolizing the entry to Canada through her most eastern gateway.

Don't miss Helicopter Canada when it comes to your area in 1967.

**Plans For  
Recreation Board  
Progressing**

The Crows Nest Pass Cultural and Recreation Board, formed in the Pass last year, has been making strong attempts to obtain the services of a director of recreation for the entire area.

Following are some of the letters received by the local board from the provincial secretary and from the office of the Premier: Mr. William Kovach, M.L.A., Pincher Creek - Crows Nest Constituency, Legislative Building, Edmonton, Alberta.

**Re: Crows Nest Pass Recreation Area**

Dear Mr. Kovach:

I refer to the correspondence passed to me supporting a Recreation Board for the Crows Nest Pass area and attach a copy of my Deputy Minister's letter of March 3 to Mr. Peter Iwasuk, the Principal of Livingstone School, in connection with this same matter.

I feel that perhaps this letter did not go far enough in that it did not mention the substantial grants in aid of Recreation Boards made by the government through this department. These grants are payable on submission of applications annually by municipalities and in general provide grants for recreation leaders, depending on qualifications and duties assumed, ranging from \$4.00 a week for part-time activity leaders to \$1500.00 maximum per annum for fully qualified recreation directors. This latter would entail university qualification in this field and considerable experience.

With respect to the request of the Crows Nest Band for direct assistance to support their efforts, I must advise that we do not have any provision for this purpose in the department, and, although these people are certainly to be commended for their very worthwhile contribution to our cultural life, there is nothing financially, at least at the moment, that I can do to assist their efforts.

With kindest personal regards.

Yours sincerely,  
A. HOLOWACH,  
Provincial Secretary.

Mr. Gordon Muspratt, Chairman, Crows Nest Cultural and Recreational Board, Box 307, Blainmore, Alberta.

Dear Mr. Muspratt:  
Re: Proposed Director of Recreation

I have your letter of April 25th in which you refer to the request of the Crows Nest Pass Cultural and Recreational Committee for a Director of Recreation to be appointed and supported by the Government. Attached for your information are copies of letters written by the Hon. A. Holowach, Provincial Secretary and Mr. P. B. Howard, Deputy Provincial Secretary to Mr. Kovach and Mr. Iwasuk, relative to this matter. I trust that these letters will bring you up to date on the disposition of the request made and also on the type and extent of the assistance which is available to local authorities in the field of recreation.

The government is most interested in stimulating and supporting an adequate recreational program in your area and in the province generally and it is very encouraging to note from the copies of correspondence you have sent that your board has the wholehearted support of the local government authorities and other bodies in the Crows Nest Pass area. I trust you will be able to participate in our existing grants program and urge you to keep in touch with the Recreation and Cultural Development Branch of the Department of the Provincial Secretary to ensure that you are receiving the maximum benefit from this extensive program. I take the opportunity of wishing you every success in the implementation of your program.

As requested, I return the clippings, map and letters that you enclosed with your letter of April 25.

Yours very truly,  
A. J. HOOKE,  
Acting Premier.

**Blainmore Possible  
Site For  
Heavy Water Plant**

Alberta Liberal Leader Adrian Berry returned today from a five-day trip to Ottawa and Toronto, and disclosed that the main purpose of his visit was to promote a bid for the establishment of a Heavy Water Plant in Alberta. Accompanied by House Leader Mike Maccagno, M.L.A., for Lac La Biche, Mr. Berry met with the Federal Minister of Industry, C. M. Drury, and others.

"Expansion of our industrial development is essential to Alberta's economic development," said Mr. Berry.

"The Federal Government has designated two areas in Alberta as being eligible for area development grants; one covering the Blainmore area, the other a large area in the north-east section of the province, including the whole of Mr. Maccagno's provincial constituency of Lac La Biche. Both of these areas have great power-resources in the form of coal and gas, and Lac La Biche has large quantities of the kind of water necessary for the manufacturing of heavy water. The construction of a \$60 or \$65 million plant, giving permanent employment to more than 200 families would be a tremendous economic boost to the area, and be of real benefit to the province."

"The final decision as to the location of Canada's next Heavy Water Plant will undoubtedly be made on the economic advantages of the area. Mr. Maccagno and I wanted to be sure that all the economic advantages of the Lac La Biche area were fully understood, by everyone connected with the decision, and that the fullest possible opportunity might be taken of the area development grant legislation."

**IN MEMORIAM**

In Loving Memory of Brent Zak who died June 22, 1964.

If we had all the world to give,  
We'd give it, yes and more,  
To see the face of you dear son,  
Come smiling through the door.

We think of you in silence,  
But there's nothing left to answer.  
Just your photo in a frame,  
Our hearts still ache with sadness,  
And many tears still flow,  
For what it meant to lose you son,  
No one will ever know.  
Ever remembered by Mom and Dad and Brothers.
